

Clean Fuel Policy Day

2020 SPONSORSHIP INVITATION

Come help us make a cleaner future!

Join us in supporting the second annual gathering of clean fuel vehicle stakeholders during legislative session to discuss clean fuels policy priorities. Clean Fuel Policy Day is scheduled for January 21st, 2020 in Richmond, Virginia.

This event has several opportunities available for well-placed recognition across a spectrum of stakeholders during the event. Additionally, sponsorships for this event will support VCC's policy work throughout the year. Sponsors will be able to present a page of collateral material in the program, and be recognized in the planning activities.
