

Scholarship Announcement

SCHOLARSHIP ELIGIBILITY REQUIREMENTS

- Must be a CNG fleet or dealership manager/supervisor responsible for technician training decisions.
- Technicians, trainers, field trainers, and instructors are not eligible for this offer.
- Application deadline is January 31, 2020.

SCHOLARSHIP DETAILS

Natural Gas Vehicle Institute is pleased to announce 12 scholarships to our 2020 public offerings of CNG Fuel System Inspector Training. This offer is limited to CNG fleet and dealership management personnel responsible for determining the training needs of their technicians.

Each scholarship includes admission into one CNG Fuel System Inspector Training class of your choice. Travel costs are not included in this offer. The CNG Fuel System Inspector Certification Exam can be purchased at an additional cost.

Scholarships will be awarded on a first come, first served basis to applicants who meet the eligibility requirements.
